Country of Origin Labeling Program  
Agricultural Marketing Service  
1400 Independence Ave. SW  
USDA STOP 0249  
Washington, DC 20250-0249

Dear Sir:

The Country of origin labeling is very important to me. I check when there is a label and some countries I will not buy the product if grown in that country.

EPA is extremely strict with USA growers. The foreign countries should meet the same strict guidelines for food that is imported for Americans to eat.

Thank you.
